

USING YOUR GP ADVANTAGE CLUB CARD IS EASY...

Your new GP Advantage Club Card has a unique identification number which can be read by the tote machine whenever you place a wager. Just present your GP Advantage Club Card before you place a bet and your account will be automatically credited. When you reach a desired point level and decide to redeem your points, simply go to the GP Advantage booth located at the North and South Ticketing Booth and present your GP Advantage Club Card with a valid ID.

Then, tell the GP Advantage representative what prize you would like, and the representative will redeem your points and give you the corresponding reward voucher. It's never been easier to get great Gulfstream Park prizes! Just look inside for details. Use your GP Advantage Club Card at teller windows as well as all of the self-service terminals (SST's). Now, slide your membership card after depositing your money. So every time you place a bet, you accumulate valuable points in the GP Advantage Club Program.
