BEST BET: Race 3 - #2 Stay Safe Kitten

Trainer Marcus Vitali has two runners entered in this third race, and while Ortiga is the morning line favorite, I prefer Stay Safe Kitten. This filly by Kitten's Joy is getting back on the turf, which is clearly her preferred surface, and she should sit an absolutely perfect trip today. I expect her to stalk the pace and be in the right spot when they come down to the wire.

LONGSHOT: Race 2 - #4 Jersey Street

This gelding has been knocking on the door in several of his recent starts, and, while he has yet to win against open claiming company, he is well tested at this level. There is so much speed to the inside, I really wanted a horse with a good closing kick for this race, and Jersey Street fit the bill. He'll be a nice price for high percentage connections.
