BEST BET: Race 5 - #2 Conquest Sandman

He's going to be a short price (and rightfully so) but this gelding just looks so hard to beat today. Trying to make it three in a row, he won the Mecke last time out by open lengths, and has been freshened since then. Now, getting ready to make his first start since July 8, he is turning back to the mile and 1/16 distance and very likely could wire the field. Now 7-for-10 on the year, Conquest Sandman has been quite the claim for \$16,000.

LONGSHOT: Race 7 - #4 Rahy Momenta

Getting the blinkers on today, I expect this filly to be more forwardly placed, if not on or close to the lead. She's been very consistent despite the fact that she is 1-for-20 on form, but has done a good job of picking up checks when properly spotted. Roberto Alvarado Jr. climbs back aboard today and should be a good fit for her.
