BEST BET: Race 5 - #2 Green Mansions

Although he is dropping in class to the maiden claiming level after a very good second against statebred maiden special weight types, Green Mansions should be able to win in this spot. The race he comes out of produced two next out winners, plus Stanley Gold and Emisael Jaramillo have been seemingly unbeatable with Arindel horses.

LONGSHOT: Race 11 - #6 Rodeo Romance

Off of a six month layoff and stepping up in class, Rodeo Romance won by open lengths on August 4. Hopefully he won't regress after that performance, but it does look like that's an indication that trainer Chuck Simon has him back in top form and in the right spot after that layoff.
