BEST BET: Race 4 - #3 Giant's Voice

A significant drop in class for this three-year-old colt by Giant's Causeway seems to be what the doctor ordered after a couple of not-so-pretty performances. After trying stakes company in the Sage of Monticello in his first start against winners, Giant's Voice got in a world of trouble last time out. Part of the first flight setting fast fractions and in tight along the rail, he was forced to check sharply in the stretch and lost all chance of a better placing. With a clean trip, he has the potential to be the controlling speed in this field.

LONGSHOT: Race 11 - #8 Warranted

This Exchange Rate colt will try the turf for the first time after a disappointing dirt debut. Bumped around at the start, that first race, which produced three next out winners, should prove a learning experience for Warranted. Pedigree certainly suggests he should handle the surface switch on both top and bottom, as the dam was stakes placed on the turf and a three-time winner on the grass. She also produced the multiple stakes placed Second Mate, who won multiple times on the turf.
