BEST BET: Race 5 - #2 Sir Navigator

Second off the claim for the top turf barn of Mike Maker, this horse put up a good performance last time out behind the very tough Pay Any Price. He was drawn outside last time out, and has a much improved post and a race at Gulfstream Park under his belt.

LONGSHOT: Race 8 - #6 Super Artist

Although the Beyer Speed Figure for this horse's maiden win is not quite as high as some of the others in this field, he did it impressively and won on the turf at the Meadowlands by open lengths. The barn's runners have been doing well, and this high priced son of Super Saver might be a sneaky.
