BEST BET: Race 8 - #10 Gear Jammer

After a six month layoff and since moving into the barn of Jose Pinchin, Gear Jammer has been in great form. Notching his non-winners of two condition last out, he does have to step up today, but this barn is very strong with winners last time out on the turf, plus gets Tyler Gaffalione up.

LONGSHOT: Race 10 - #2 Durocher

After going on a three-race win streak (at generous prices, I might add) Durocher was beaten by four lengths last time out, trying to close form farther back than he usually is. Though meeting a tough field today, he has been freshened since May 28 and should be live with an inside post.
