**BEST BET: Race 6 - #1 Splash Rules**

This horse has just been so good lately. A concern of mine last time out was whether he could stay the 7 furlongs, and that proved no problem. However, he's back at  $\frac{3}{4}$  of a mile and I think this is his best distance. He should have a ground saving trip from the rail under Tyler Gaffalione.

**LONGSHOT: Race 8 - #2 Who's the Lady**

This is a filly who was very sharp at the start of her career, and has some dirtied up form after recent graded stakes tries, turf tries, and route tries. She's back sprinting on the dirt in state-bred company, and it seems this is right where she needs to be, especially if some of the "big horses" don't fire their best.
