**BEST BET: Race 3 - #7 Dash of Dazzle**

This gelding has been ultra popular at the claim box over the past year, now claimed for the sixth time since February. He had a nice win last time out against this caliber of competition, and is getting ready to make his first start for trainer Victor Barboza Jr. For this barn, horses first off the claim who won last time out are 6-for-18 winning and 12-for-18 in the money over the past five years. Dash of Dazzle also picks up Emisael Jaramillo today.

**LONGSHOT: Race 7 - #7 Starship Rocky**

Getting back to the turf, this horse is sure to be a nice price. It's been a while since he's seen the winners circle, and he's recently been running in lower level claiming races on the dirt. However, if you look back in his past performances, the last time he ran on turf, he was running against a tougher level of competition. He boasts a win over this turf course, and should be running late behind the speed horses in here.
