BEST BET: Race 4 - #7 Mojo's Queen

Very well beaten last time out by the runaway repeat winner Meant Tobe Mine, this filly is going to drop back in to open \$12,500 company after running against slightly tougher. He win two starts back should absolutely make her a contender, and I think she finds herself a good field to run against today.

LONGSHOT: Race 6 - #8 Little Toe

While certainly not the most consistent runner, Little Toe is hoping for some more racing luck today, as he is coming out of a trip where very little went his way. Three wide for much of the early part of the race, this gelding by Malibu Moon had to steady very sharply in the stretch and lost all position. I hope he's able to stay out of a pace duel today, as he'll be a nice price.
