BEST BET: Race 5 - #2 R Girls a Charmer

After a roughly six month layoff, R Girls a Charmer came back to the races and right into stakes competition, facing tough foes in the Musical Romance. Now making her second start off the bench for the Casse barn, she has plenty of natural speed and plenty of back class to work with.

LONGSHOT: Race 11 - #6 Manolete

In a very competitive state-bred allowance race, the class dropper Manolete is a nice 10-1 morning line price. After being beaten just $\frac{3}{4}$ of a length last time and earning a 73 Beyer Speed figure, this horse should be live at a good price.
