BEST BET: Race 11 – #4 Flowmotion

After a roughly 7 month layoff, this gelded son of Warrior's Reward ran a solid third last time out, right here at Gulfstream. He has plenty of early speed, and could be the main pace setter. Training very well at Palm Meadows, I'm looking for an improved effort today from this Mark Casse trainee.

LONGSHOT: Race 6 - #2 Blackwynn

After running her very first start on the turf, this filly has been running exclusively on the main track. She's now going to switch back to the grass, and I think that might help to wake her up a bit. She has two siblings that won on turf, and also drops down to the \$20,000 level.
