BEST BET: Race 3 - #1 Stronger Kat

First off the claim for trainer Saffie Joseph Jr. is always an angel worth noting. This particular filly is also switching from the turf back to the dirt, and she has only ever run against special weight company on the main track. Now entered in a race for the \$12,500 tag, this will be the lowest level she will have competed for on dirt. Also, she picks up jockey Irad Ortiz Jr. and cuts back to sprinting once again.

LONGSHOT: Race 1 - #2 Love Conquers

Hoping to get a price right off the bat, this horse has some back class to go off of and I don't think his last race can be totally indicative of his talent. He ran last time out in the Claiming Crown Emerald, which was won by Uncle B, who is also in this field and will be a formidable foe. However, Love Conquers was a huge price, and we saw horses having a hard time coming from far off the pace such as he was trying to do. This gelding will now make his third start off the layoff, and notably picks up leading jockey Luis Saez today.
