**BEST BET: Race 84 - #3 My Point Exactly**

Although beaten as the favorite last time out, My Point Exactly is coming off of the best last-out race in this field, by far. He is also very tactical, and keeps Paco Lopez in the saddle once again. Stretching out to the mile distance, he has plenty of experience going two turns and should sit the perfect trip in here.

**LONGSHOT: Race 8 - #4 Storming My Way**

Given the strong field that he is running against, I do think you'll get a nice price on this gelding by High Cotton. Although he lost the lead last time out, he dug in gamely and finished a very strong third. He keeps Edgard Zayas up, who has been riding in great form, and, while he might be most potent on the lead, he also has the ability to rate and show some tactical speed. His recent Beyer Speed Figures show him to be a strong contender here.
