BEST BET: Race 2 - #3 Put Em Up

A recent maiden winner here at Gulfstream this cold is stepping up to face winners for the first time, but looks well spotted in this task. Trainer Danny Gargan is 4-for-7 at the meet, doing exceptionally well with limited starters. In addition, he bats at 24% with a positive \$4.04 ROI with last out maiden winners in dirt sprints. Tyler Gaffalione stays aboard.

LONGSHOT: Race 10 - #9 Ravens Fifty Five

The barn may not be known for first time starters, but trainer Jessica Campitelli has had some good winners lately, and I fell for the pedigree on this filly. A daughter of Aikenite, Ravens Fifty Five is the half sister to multiple graded stakes winner Frank Conversation, who was won of three siblings with turf wins. The dam was also stakes placed and a three time grass winner herself.
