ATTENTION HORSEMEN: Please check licenses for you and your owners. Please do not go online to renew your licenses. If your owners have a horse in - and will not be here in person to renew their license, trainers take out a temporary license for them.

Attention Horsemen: Remember you must register your two-year olds with HISA, upon arrival on the grounds.

Jockey: Prandy Matos 115 Self - 772-285-7437

ATTENTION TRAINERS: Tapeta Shoe Rule is the same as the Turf Shoe Rule. NO Traction Devices. Queen's XTs and similar shoes will not be permitted on Tapeta or Turf.

ATTENTION TRAINERS: Capsaicin is used in many peppers including chili peppers, cayenne peppers, and paprika. It is used in pastes, hot sauce, and some pain relief creams, ointments, liniments, braces, and patches. HISA lists capsaicin as a Class B Controlled Substance. HIWU's partner labs test for Capsaicin Post-Race, Vets List, and Post-Work Samples. Horsemen should read all labels to check for capsaicin in the list of ingredients and exercise caution when using these products close to a race or workout. Horsemen or veterinarians with questions may reach out to sciencesupport@hiwu.org.

ATTENTION HORSEMEN:
 The aftercare of horses that have shipped to Puerto Rico to race, and are no longer racing, are of great concern to Gulfstream Park and 1/ST Racing. Trainers and Owners are warned not to ship injured or infirmed horses to Puerto Rico or they may be subject to fines and loss of stalls at all 1/ST Racing facilities. We will continue to monitor the number of horses shipped to Puerto Rico from trainers and owners who have horses at Gulfstream Park. We encourage our horsemen to utilize the on-site Safety Steward, Richard Simmons for specific information by calling 754-236-4790 and our on-site Aftercare Coordinator, Raina Gunderson by calling 954-682-1294.

Children under 16 years of age are not allowed in the Receiving Barn.

Attention Trainers: Prior to administering any supplements to any horse, please research the product and check the ingredients, to prevent violations of the possession or use of banned substances. Supplements have been cited as a possible source of the banned substance diisopropylamine, though Gulfstream Park notes that no specific products or individual manufacturers have been identified. For a list of banned substances please go to the HIWU website.

No two-year-olds allowed on the track before 8 am. No galloping the wrong way, or on the rail.

Please Note: Those enrolling in the ACH Electronic Payment Program will be receiving a one-time verification call from Gulfstream Park.

TRAINERS:
 Please take time to review new soundness/fitness forms available in racing office at Gulfstream Park and the manager's office at Palm Meadows. You and your veterinarian are required to sign and return these forms in order for your horses to race and have published workouts. A form may also be sent via email, upon request.

House Rule Changes:
 1- Entries: Trainers will be limited to TWO entrants per race.
 2- Claiming: A trainer must be allotted a stall and have a horse stabled at Palm Meadows or Gulfstream Park AND must have started a horse at Gulfstream Park within 45 days of Claim Date.

ATTENTION TRAINERS: If you have taken out a temporary license for YOUR OWNERS they must call Tallahassee ASAP at 850-794-8130 to complete the process. Owners who have EXPIRED TEMPORARY LICENSES will result in RACE-DAY SCRATCHES and possible FINES.

Attention Horsemen: HIWU's testing program includes the testing of selected horses after routine timed workouts/breezes (Post-Work). This testing is separate from Vets. List testing. Trainers will be notified of selection for Post-Work testing within one hour of a horse's completion of the breeze. For more information about medications that can be used in relation to a routine breeze, visit the News tab on hiwu.org for the latest advisory. For questions, please contact Dr. Mary Scollay at (859) 489-7677 or Dr. Patti Marquis at (816) 516-5641.

It is against HISA rules to breeze a horse within 7-days of an intra-articular injection. For example, if you inject a horse on Saturday, you cannot breeze the horse until the following Saturday.

For the health and welfare of all horses, it is now MANDATORY to hose off all horses following each race. Hoses are available along the length of the stretch. Non-compliance will result in fines. This policy is in effect until further notice.

HISA/HIWU pre-race TC02 testing regulations require a representative to be present with each IN-TODAY horse TWO HOURS prior to post time for their race.

Attention Horsemen: For Licensing Questions or to Reach the Tallahassee Licensing Office Directly please call 850-794-8130.

Owners and Trainers selling horses, be aware, that shipping horses via cargo ship is deemed inhumane. Should the horses formerly in your care be transported in this manner, understand you may be found responsible and therefore accountable. Trainers and owners are responsible for performing the required due diligence to protect the health and welfare of the horses. Before selling your horses make certain you have all the necessary paperwork to ensure safe passage.
All owners must have registered silks available for their horses. Substitute silks may be used only twice before fines are imposed.
