1. A valid health certificate (CVI) dated within 5 days of arrival at GSP or PM (this time may be shortened in the event of a disease outbreak).

2. A current negative Coggins within 365 days (preferably within the calendar year).

3. Horses shipping in from TAMPA BAY DOWNS are required to have the following vaccines on the Health Certificate:

Flu/Rhino vaccine must be current (within the last 6 months) and must be given at least 14 Days prior to the arrival date.

4. All horses shipping in from ANYWHERE ELSE are required to have the following vaccines on the Health Certificate:

Flu/Rhino must be current (within the last 6 months) and must be given at least 14 Days prior to the arrival date.

Eastern/Western Encephalomyelitis/West Nile/Tetanus Toxoid/Rabies must be administered once within 365 days.

*All Health Certificates are required to have the manufacturer and lot number for the required vaccines written on the health certificate.

ENTRIES/SCRATCHES

Once a final has been announced, additional entries in overfilled races will have the least preference.

It is the Trainer's responsibility to have ownership (bills of sale and trainer transfers) up to date. Any questions contact Mary Donato @ 954-457-6320. When an Owner or Trainer enters two horses in the same race and scratches one leaving a small field, the Trainer may be subject to fines up to \$500.

If a horse is scratched due to a licensing issue the owner and trainer are subject to a fine at the discretion of the Stewards.

Equipment changes are due at the time of entry. Changes are allowed with the permission of the Stewards before the program goes final. Changes after the program goes final will result in a fine. No changes are accepted on race day.
