all labels to check for capsaicin in the list of ingredients and exercise caution when using these products close to a race or workout. Horsemen or veterinarians with questions may reach out to sciencesupport@hiwu.org.

#### ATTENTION HORSEMEN:

The aftercare of horses that have shipped to Puerto Rico to race, and are no longer racing, are of great concern to Gulfstream Park and 1/ST Racing. Trainers and Owners are warned not to ship injured or infirmed horses to Puerto Rico or they may be subject to fines and loss of stalls at all 1/ST Racing facilities. We will continue to monitor the number of horses shipped to Puerto Rico from trainers and owners who have horses at Gulfstream Park. We encourage our horsemen to utilize the on-site Safety Steward, Richard Simmons for specific information by calling 754-236-4790 and our on-site Aftercare Coordinator, Raina Gunderson by calling 954-682-1294.

Children under 16 years of age are not allowed in the Receiving Barn.

Gulfstream will race FOUR days a week in April, May, and June and three days from July through November. There WILL BE TURF RACING throughout the spring

Attention Trainers: Prior to administering any supplements to any horse, please research the product and check the ingredients, to prevent violations of the possession or use of banned substances. Supplements have been cited as a possible source of the banned substance diisopropylamine, though Gulfstream Park notes that no specific products or individual manufacturers have been identified. For a list of banned substances please go to the HIWU website.

Trainers will be notified of selection for Post-Work testing within one hour of a horse's completion of the breeze. For more information about medications that can be used in relation to a routine breeze, visit the News tab on hiwu.org for the latest advisory. For the health and welfare of all horses, it is now MANDATORY to hose off all horses following each race. Hoses are available along the length of the stretch. Non-compliance will result in fines. This policy is in effect until further notice.

HISA/HIWU pre-race TCO2 testing regulations require a representative to be present with each IN-TODAY horse TWO HOURS prior to post time for their race.
