RACE 1:
1 BAMA JAMA, a full sister to Cajun Casanova, who won the Hollywood Beach Stakes on the turf at age 2 and Full Disclosure, who was second on the grass in the GP Turf Sprint, debuts on the lawn after showing speed going longer on the dirt for Mike Yates, who has a positive $2.39 ROI with the surface switch. **3 ROSE BY A NOSE** is debuting on the turf after checking sharply at the three-eighths pole before closing five wide and finishing second in her five-furlong career debut on Tapeta. David Fawkes has Miguel Vazquez atop the daughter of Aloha West (Hard Spun).
9 GIN GINS FIREWORKS debuts locally for trainer Mike Trombetta after finishing third – as the favorite – in five-furlong turf debut at the Meadowlands. Paco Lopez rides this major player.

SELECTIONS: 1-3-9

RACE 2:
3 MISS VALENTINA may have finally found the spot when she can notch her second victory when facing a field that is definitely light in the win department. Carlos Narvaez has Edgar Perez managing the drop to the $10,000 level.
5 JUST MAJESTIC is hoping to find more firepower from the stretch drive after dueling through slow fractions before fading to finish fourth behind the top choice, Nik Juarez rides for Joel Santiago. **6 TRILL** is stretching out to a mile after returning from the layoff to finishing a late running third going six furlongs on a sealed sloppy track. Heather Smullen has Heriberto Figueroa in the saddle.

SELECTIONS: 3-5-6

RACE 3:
6 FIRST CLASS WINK is debuting locally for Rohan Crichton after pressing the pace and finishing third behind a next-out winner going six furlongs on the Belterra main track. The son of Connect may have tipped his hand with the half-mile bullet workout over the GP main track.

1 EXPERT WITNESS is turning back to seven furlongs after dueling through the stretch and getting beat a nose going a mile last out. Mike Lerman has Leonel Reyes overseeing the tough inside draw. **2 HOLY COW** is stretching out an additional furlong after responding the surface switch from Tapeta to dirt with a rallying third-place finish vs this level of competition going three-quarters of a mile.

SELECTIONS: 6-1-2

RACE 4:
6 FREE TO ROAM is turning back to five furlongs after returning from the layoff and breaking from the rail when finishing a rallying second going 5 ½ furlongs on Tapeta. Amador Sanchez has Marcos Meneses in the saddle again. **4 MISPRINT**, a reclaim by Dave Fawkes two starts ago, is hoping to get back to her winning ways on the all-weather surface (36-10-7-6) after making a middle move to get the lead before weakening to finish fifth behind the top choice. The turnback to five furlongs should help the hard-knocking five-year-old mare.
2 MORETASIC is facing $10,000 open claimers after following her $17,500 conditioned claiming victory with a poor showing vs four rivals in a $20,000 starter optional claimer going 5 ½ furlongs on Tapeta last out. Maybe with these?

SELECTIONS: 6-4-2

RACE 5:
4 GETAHOLDAYOURSELF is hoping to get a hold of the turf at the $35,000 level after reeling off consecutive $17,500 claiming scores going around two turns on Tapeta. The daughter of Collected, undefeated since moving to Dave Fawkes barn, is 4 for 6 in the money on the turf.
9 PRECIOUS MEDLEY is giving the turf another whirl after the solid pair vs $25,000 optional claimers going a mile and seventy yards on the all-weather track. Carlos David is 22% with the surface switch.

8 DEL MAR SUNRISE (IRE) drops into the conditioned claiming ranks after rallying to finish fourth vs tougher in a $35,000 starter optional claimer going a mile on a good turf. Nick Tomlinson spots her perfectly with this level of opposition.

SELECTIONS: 4-9-8

RACE 6:
2 IRON HAND, a three-time no-condition allowance winner on Tapeta, drops and returns to the all-weather surface after ending his summer campaign with pair of off the board finishes under overnight handicap conditions. Jose D'Angelo has Yolber Torres named to ride. **7 WALLEY WORLD** drops and returns locally after inconsistent campaign vs tougher on turf at Saratoga and Kentucky Downs. Saffie has Rasheed Hughes overseeing the homecoming. **1 DREAM DANCER**, who has shown marked improvement since the addition of blinkers, proved he could compete at this level when finishing second – beaten a head – vs $35,000 starter optional claimers going this distance on Tapeta.

SELECTIONS: 2-7-1

RACE 7:
3 GIVE ME OPTIONS, 4-1-1-1 on the GP turf, moves to the Nolan Ramsey barn via the claim and returns to the turf after steadying along the inside and tiring when facing this level in a race moved from Turf to Tapeta. Miguel Vazquez rides for the new connections. **1 INHERENT PROMISE**, 4 for 9 in the money on the local turf, returns to the grass and makes the usually fruitful third start of the form cycle, after the pair of solid Tapeta route races vs this level of competition. Trainer Lisa Lewis has Paco Lopez managing both the surface switch and the inside post. **7 PROJECT**, a lightly raced son of Goldencents, makes his first start since using his speed to break maiden here going long on Tapeta last February. Trainer Lauren Robson has him working well for the return.

SELECTIONS: 3-1-7

RACE 8:
1 WOODSTER moves the Jose D'Angelo barn via the claim and returns in 11 days after posting his second consecutive open-length victory when defeating $35,000 conditioned claimers at the distance. The barn, 22% with recent claims, has Yolber Torres named to ride. **5 LURE HIM IN**, reclaimed by Sam Wilensky at Parx in May, returns to its favorite venue (16-6-3-1) after ending his campaign up north with a second-place finish behind repeat winner Next Level going around two turns at Laurel. It's the old horse for course angle. **3 MIAMI FRANK** moves to the Dave Fawkes barn via the claim and steps up after the third place showing vs $20,000 claimers going a mile and a sixteenth at Keeneland. The barn, 39% with new claims, has Paco Lopez in the saddle.

SELECTIONS: 1-5-3

RACE 9: *THE WAIT A WHILE*
4 ATTACHMENT wants to have stakes winner attached to her resume when she steps up and stretches out after the dominating seven-furlong maiden victory on the Belmont turf. Trainer George Weaver has local favorite Edgard Zayas going for two in a row. **2 HAMMY** will try to keep her record on the local turf unblemished after following the debut maiden victory with a come from behind score in the Our Dear Peggy last out. Note that she should see the same pace scenario that afforded her the victory last out. **9 NOTGONNACATCHHER** is turning back to a mile after living up to her name when using her speed to break her maiden going a mile and a sixteenth on the Churchill turf. Brian Lynch will have Samy Camacho playing catch me if you can.
