**BEST BET: Race 10 - #6 Hidden Facts**

This is a filly I've been waiting to see run back since her try in the Captiva Island. Unfortunately she was scratched a few weeks back when the race came off the turf, so I'm excited to see her in today. She has plenty of natural speed, and though she rated last time out, I thought she ran very well when having to check a bit in the stretch. Two starts back her speed was forced when trying two turns. I also am a big fan of the jockey switch to Irad Ortiz, Jr.

**LONGSHOT: Race 1 - #5 Syllabus**

Hoping to start the day off with a nice price, I think this is a very wide open race. This filly tried the turf for the first time last time out and showed a lot more speed than she had in her dirt debut. Although she finished a well-beaten fourth, I feel like she has license to move forward today, and I really like that she can be forwardly placed in a field full of questions.
