**BEST BET: Race 9 - #8 Kroy**

Trainer Danny Gargan re-claimed this gelding two starts back, and he delivered with a big performance last time out, getting beat by just a neck. He has a good outside post in here, plenty of early speed, and an affinity for this turf course. I think in his second start back with this barn, we'll see an even better performance from this horse, who also has a ton of back-class.

**LONGSHOT: RACE 8 - #4 Dropped Anchor**

After breaking his maiden impressively, this son of Anchor Down came back with a game second place finish, and then another nice victory in his most recent start. Now, he's making his first start with trainer Alfredo Velazquez, who claimed him last time. He is a bit of a fresh face in this field with the three runners to the outside rematching today.
